1.0 Introduction

1.1 Description

Florida Medicaid provides nursing services, medication administration, social work services, and therapy services rendered in a school setting by school districts, charter, and private schools.

1.1.1 Florida Medicaid Policies

This policy is intended for use by school districts and charter and private school providers that render services to eligible Florida Medicaid recipients. It must be used in conjunction with Florida Medicaid's General Policies (as defined in section 1.3) and any applicable service-specific and claim reimbursement policies with which providers must comply.

Note: All Florida Medicaid policies are promulgated in Rule Division 59G, Florida Administrative Code (F.A.C.). Coverage policies are available on the Agency for Health Care Administration's (AHCA) Web site at <http://b.ahca.myflorida.com/Medicaid/review/index.shtml>.

1.1.2 Statewide Medicaid Managed Care Plans

This is not a covered service in the Statewide Medicaid Managed Care program.

1.2 Legal Authority

Florida Medicaid school based services are authorized by the following:

- Title XIX of the Social Security Act
- Sections 409.9071, 409.9072, and 409.908, Florida Statutes (F.S.)
- Rule 59G-4.035, F.A.C.

4.0 Coverage Information

4.1 General Criteria

Florida Medicaid covers services that meet all of the following:

- Are determined medically necessary
- Do not duplicate another service
- Meet the criteria as specified in this policy

4.2 Specific Criteria

4.2.1 Behavioral Services

Florida Medicaid covers the following:

- Assessments
- Behavioral analysis
- Consulting and care coordination
- Evaluations
- Individual and group therapy counseling

Florida Medicaid covers group therapy that includes at least two, but no more than ten, participants.

Groups may include individuals who are not Florida Medicaid eligible.

4.2.2 Nursing Services

Florida Medicaid covers the following when recommended by a physician:

- Administration of medication
- Assessment and treatment or intervention
- Consultation and care coordination
- Evaluations
- Individual and group therapy

4.2.3 Screening Services

Florida Medicaid covers the following school based screening services for recipients who are also receiving Florida Medicaid private duty nursing services:

- Dental
- Growth and development
- Hearing
- Scoliosis
- Vision

4.2.4 Therapy Services

Florida Medicaid covers evaluation and treatment services for the following services to develop, improve, or restore a recipient's functional abilities:

- Occupational therapy (OT)
- Physical therapy (PT)
- Speech-language pathology services

Florida Medicaid covers OT and PT group therapy that includes at least two, but no more than, four participants. Speech-language pathology group therapy services may include up to eight participants.

Groups may include individuals who are not Florida Medicaid eligible.

4.2.5 Transportation

Florida Medicaid covers up to four one-way trips per day, per recipient, to access a Florida Medicaid service.

4.2.6 Casting or Strapping

Florida Medicaid covers casting or strapping when the service is rendered by a licensed occupational or physical therapist.

4.2.7 Wheelchair Evaluations and Fittings

Florida Medicaid covers an initial evaluation, and reevaluation when the wheelchair is delivered, by a licensed occupational or physical therapist.

The provider who performed the initial wheelchair evaluation must meet both of the following:

- Be available to the durable medical equipment provider who is supplying the wheelchair
- Perform the follow-up evaluation to make proper adjustment and fit the chair to the recipient

The follow-up evaluation must contain the description of adjustments and fittings.

4.2.8 Augmentative and Alternative Communication (AAC)

Florida Medicaid covers the following for recipients with the physical, cognitive, and language abilities necessary to use an AAC system:

- Licensed physical therapists
- Licensed occupational therapists

4.3 Early and Periodic Screening, Diagnosis, and Treatment

As required by federal law, Florida Medicaid provides services to eligible recipients under the age of 21 years, if such services are medically necessary to correct or ameliorate a defect, a condition, or a physical or mental illness. Included are diagnostic services, treatment, equipment, supplies, and other measures described in section 1905(a) of the SSA, codified in Title 42 of the United States Code 1396d(a). As such, services for recipients under the age of 21 years exceeding the coverage described within this policy or the associated fee schedule may be approved, if medically necessary. For more information, please refer to Florida Medicaid’s General Policies on authorization requirements.

5.0 Exclusion

5.1 General Non-Covered Criteria

Services related to this policy are not covered when any of the following apply:

- The service does not meet the medical necessity criteria listed in section 1.0
- The recipient does not meet the eligibility requirements listed in section 2.0
- The service unnecessarily duplicates another provider’s service

5.2 Specific Non-Covered Criteria

Florida Medicaid does not cover the following as part of this service benefit:

- Nursing services provided to a group
- Nursing services provided to a recipient on the same date of service as Florida Medicaid private duty nursing services
- Travel time to and from the school campus, unless services are rendered during travel

6.0 Documentation

6.1 General Criteria

For information on general documentation requirements, please refer to Florida Medicaid's General Policies on recordkeeping and documentation.

6.2 Specific Criteria

Providers must maintain a plan of care (POC) in the recipient's file. The POC must include all of the following:

- Description of the student's medical condition
- Group or individual therapy
- Short and long-term therapeutic goals and objectives
- Therapy to be provided
- Treatment frequency, length, and duration
- Therapeutic methods and monitoring criteria
- Therapist's signature and date

The recipient's IEP, IFSP, or other health care or behavioral plan may be used in lieu of the POC, if the document contains the required components as described.

6.2.1 Behavioral Services

Documentation for behavioral services rendered by a school counselor must be signed by one of the following:

- Master's level social worker
- Psychologist
- School psychologist

6.2.2 Wheelchair Evaluation Report

The initial wheelchair evaluation report must include all of the following:

- Recipient's name
- Identification of the recipient's physical conditions that make provision of a wheelchair reasonable and medically necessary
- If an electric wheelchair is recommended, justification of its appropriateness based on the recipient's capacity and medical condition
- Justification of all accessories and add-on components based on the recipient's medical needs, including:
 - An explanation of the medical or health-related purpose for each accessory or add-on component
 - The medical consequences of omitting the item
 - Why the physical disability of the recipient justifies the inclusion of the item

The wheelchair follow-up evaluation report must include all of the following:

- Recipient's name
- Description of adjustments and fittings made

The physical therapist must complete, sign, credential, and date the report.

7.0 Authorization

7.1 General Criteria

The authorization information described below is applicable to the fee-for-service delivery system. For more information on general authorization requirements, please refer to Florida Medicaid's General Policies on authorization requirements.
