Medicaid Contacts:

AHCA has provided additional information for assistance with the Medicaid re-enrollment process. Attached also is the Florida Medicaid Provider Renewal Application Guide referenced below.

From AHCA:

School District Re-Enrollment: School districts applying for re-enrollment in Florida Medicaid should begin the process as quickly as possible by accessing the Agency's [Secure Web Portal](#), which has links to documents and DXC Technologies' contact information. The online renewal guide is attached to this email. If additional assistance is needed with except entity certification (attached) or the re-enrollment process, please call 1-800-289-7799, option 7.

If you are unable to complete the process for any reason, please ask to have an appointment with a DXC Medicaid Field Rep. This is done using the same number as above.
