

## RMS Timeline

Monday, April 27, 2015 5:06 PM

Dear Medicaid Contacts:

Please see the email below that was sent from AHCA to district contacts that contains a timeline developed by AHCA for Medicaid school district administrative claims. Please note the period that is allowed for "district grievances" of the decisions made by monitoring staff. Per Ami's email, you may contact Ami, your district monitor, or me if you have questions.

Please note that although the timeline refers to paper forms in various parts of the timeline, in accordance with the Florida SDAC Guide on Page 8-2, "Medicaid Area Office School Specialist will review only the original RMS questionnaires **or appropriate electronic information**".

We will plan time for discussion of the timeline during our next quarterly call that will be scheduled for late May.
